Jesus signals still, Wave the answer back to heaven, "By thy grace, we will." See the mighty host advancing, Satan leading on ; Mighty men around us falling, Courage almost gone.

CHORUS-"Hold, etc. "-See the glorious banner waving. Hear the bugle blow; In our Leader's name we'll triumph Over every foc.

CHORUS-"Hold, etc. Fierce and long the battle rages, But our Help is near; Onward comes our great commander, Cheer, my comrades, cheer?

ALMOST PERSUADED.

CHORUS-"Hold, etc.

A Little Story for Little Folks.

By CATHARINE ST. CLAIR.

By CATHARINE ST. CLAIR.

Altogether Teddy felt like an intruder, but he thought the bearies, which he now saw shining redly through their regions, green leaves, would make up for it sil.

Teddy sat in the nursery, and looked forlornly out of the window. Presently he sid out of his chair on his knees, and, resting his curly head on the broad window seat, fixed his blue eyes, glistening with tears, on the beautiful, elected out without stopping to fasten fleey clouds that were sailing so lazily ground, regardless of the seat of his large out without stopping and and the p. M. had the teakettle running under a full head of steam. Then they turned the honest old family time piece around to five o'clock, and called the now saw shining redly through their ance-tors out of a sound sleep. Old man Jones came out yawning.

Teddy sat in the nursery, and looked forlornly out of the window. Presently be side out of his chair on his knees, large the first state of the sound of first sill.

He brought his boot to shore, and leaves, would make up for it sil.

He brought his boot to shore, and though I'd slept a wink, but here it is adapted to the tough skip, muscles and they turned the honest old family time piece around to five o'clock, and called their name to five decay.

Old man Jones came out yawning.

Tedelare! said he, 'don't seem as though I'd slept a wink, but here it is affect and Foul Evil, are little lead and Foul Evil, are little lead and Foul Evil, are little winked to he results and Foul Evil, are little west than in hing under a full head of steam. Then hing under a full head of s

Once, indded, he caught his foot in a tangled vine and was frightened for a moment, and he heaved a sigh of relief simultaneously with a subdued shout of triumph when he reached the bot tom in safety.

Then, if there had been any one looking out of the front windows, as, and the caught her round the neck there'll be grief and affinction in this family. If it make it livelier for the boys than a whole regiment of Dan Albaugh's can. Hear me?"

They heard him, and slept in the barn, because old Jones locked them ont of the house.

would have seen a little pair of bootheels twinkling through the trees and a golden head-bobbing among the leaves in the direction of the river.

'Oh! Teddy, Teddy, you had better not go to the river; you will be sorry, sorry?

But Teddy would not listen to the good little mother wren, who hopped in front of him; and she flew back to lecture her own docile broad on the sin of disobedience. Teddy heard the trees rustle and bend together, and wisper to each other: 'Teddy is running away; who would have believed such a thing of him?'

But his heart was swelling with the not unmixed pleasure of stoken freedom, and he trotted on resolutely down and

not unmixed pleasure of stolen free mother's neck. dom, and he trotted on resolutely toward the beautiful, treacherous river. The lilies that grew by the carriage

brown him! The is a bad boy! But as the water rippled past them as smillingly as ever, he concluded it was not going to take the advice, and be leanged back in the boat, watching the flecks of sunlight that played over the water where it shone through the trembling leaves.

He watched the sparkles, as he called them, thinking, 'Oh, what will manned do to me when she comes manned to me when she comes have run cff from purse?'

Inst year was marked by very success ful meetings. He was originally a hatcher, but early abandoned that bloody business for the gentler one of saving soals.

The London Times has letters from Constantinople which give details of great suffering among Armeian Christians from the cruelty of the Turkish rulers, and the unrestrained rapine of the watched on Tuesday of last week, is the Koords. Many of the Christians are professing conversion to Islamism the professing conversion to Islamism the professing conversion to Islamism the profession is notatile from humself of the facilities and the profession is notatile from the facilities and the profession is notatile from the facilities and the profession of the facilities and the profession is notatile from the facilities and the profession is notatile from the facilities and the profession is notatile from the facilities and the profession of the facilities and the profession is notatile from the facilities and the profession is notatile from the facilities and the profession of the facilities and the profession is notatile from the facilities and the profession is not suffered by very succession.

The PHITSBURG WEEKLY DISPATCH, the back of the bady, is profession the theriograph. It is the cheeping and the rhocked the stand bloody business for the gentler one of saving collections are the bady, is profession the collections as well seems the bady of the theriograph is lated the rhocked the saving of the week, is the profession of the very and the details of the profession of the bady, is profession the collection of the bady, is profession t

in the stream in front of him.

And now a speckled trout leaped up 'Ob, you beauty!' cried Teddy, darttowards it.

disappe rel. Tuen he leaned over the edge of the boat and dragged his fingers in the water, but even the usually harmless lit-tle minnows darted at them and bit his flager tips or scratched them with

their sharp little fins.
Teddy sank back with a sigh.
'Oh, dear!' Everything, even the dear little n-b, are mad at me, and it's no fun, after all. I wish I was back in the nursery; Nora would be just bring-ing in my lunch now, and I'm so hun-At the thought of something to eat, . And he witted, and then she witted.

he remembered the tempting berries, and, seizing his oars, he rowed vigorously, until the perspiration streamed off of him and his breath came in

were not shut up in the nursery ou the matter be?

Teddy walts a moment in amaze-gal repast, and the boys were full of have and have a who had gone to the ment, then serews up his mouth and merriment and warm victuals. city, and left them with a wicked old shuts his eyes, and atters a sharp little. The old man asked them what in thunder they were salekering about,

Teddy laughed in the midst of his sor-row at the thought of those rosy, dain-from the face he made. row at the thought of those rosy, dain-ty clouds rocking in the old muddy boat.

But I've got on my every-day as them to his tongue and then throws ing the heavens, remarked: Weil,

beside him.

Birdie perched his head on one side, in a saucy way he had, and there was a mischievous gleam in his little bright eye as he saug to Teddy of the beautiful woods, and of the red berries that grew on a bank a little way down the superior of the same and both and crawls back on the grass. His fall was severe to the first of the next thing to it. I don't see why the big and everliating here don't blow now! Shouldn't less this balance, and folls expect the it. I don't see why the big and everliating here don't blow now! Shouldn't be surprised to hear it blow any minimular.

Poor, hitle tellow! He is certainly a pitful object, as he slowly emerges in this balance, and folls expect to the next thing to it. I don't see why the big and everliating here don't blow now! Shouldn't be surprised to hear it blow any minimular.

Poor, hitle tellow! He is certainly a pitful object, as he slowly emerges in this balance, and folls expect to the next thing to it. I don't see why the big and everliating here don't blow now! Shouldn't be surprised to hear it blow any minimular.
